A Message from Rev. Heike Werder

For five days in April (10th-15th), I went to Kripalu, cashing in the generous gift certificate you gave me as a birthday present back in December. I had no idea how much I had needed these five days of rest, exercise and good food. I cannot thank you enough for this very special and thoughtful gift.

Coming back and entering work and home life was a little hard. It was nice not to have to worry about "stuff" for a few days. It was nice not having to listen to the mean political rhetoric that is darkening our TV screens from morning to night. It was nice to step away from the problems that riddle our world. I know, I know, one cannot stay in the "nice" for too long, because life happens and the world goes on.

But I was wondering, wouldn't it be nicer if the world was filled with more good news than bad? Would our

lives be different? Would we feel differently? Would we act differently?

In my ponderings I came across a website: www.amazingnews.org. It is a website that just reports good news, positive events, medical and scientific

breakthroughs, and cool tips. You can read stories like:

- A firefighter saves man during a 10 k run
- A police officer skates with community to create real bonds with the kids
- A high school boy buys flowers for all the girls
- How a pink shirt raises awareness for bullying, and
- How a scientific breakthrough could clean up landfills.

Curious? Take a look at the website. It certainly lifted my spirits. We need good news for our souls. We need to know that people still care about other people, about the environment, about making healthy and wholesome connections. We need to know that kindness will always win in the end, even it does not look like it at the moment.

May your spring be filled with good news, kind interactions with the people around, and inspirations that feed your soul and the souls of your loved ones, neighbors, and strangers.

Blessings,
Heike

Preaching Schedule for May

After Jesus was resurrected from the dead, he appeared to his followers 12 times, adding up all the gospels' accounts. He entered their lives again and in his instructions he gave them gifts that would support them as they continued their ministry.

Here are the next few sermons in the Easter season until we get to Pentecost:

- May 1 - "Christ's Gift of Trust" Rev. Heike Werder
- May 9 - Christ's Gift of Forgiveness and Healing" Rev. Heike Werder
- May 15 - Pentecost "Christ's Gift of Enlivening Power" Rev. Heike Werder
- May 22- The Rev. Wendy Vanderhart
- May 29 - Madelyn Downer, M.Div.

WELCOME....

The Rev. Wendy Vanderhart is our Associate Conference minister of the MA Conference of the UCC.

In her positions with the conference, Rev. Wendy assists with pastoral searches and transitions, provides support for churches and pastors and works with Association committees in the Andover, Essex and Metropolitan Boston Associations.

Our own, Maddie Downer, is a M.Div. graduate of ANTS (2015) and has been our CE & Youth Director for the past year.

YOU ARE INVITED!

On Sunday, May 22, 2016, at 4 p.m., John Allen will be officially installed as the 23rd Pastor of the First Congregational Church of Milton. You are invited to attend this festive worship service. John. Martin B. Copenhaver, President of Andover-Newton Theological Seminary, will preach. Refreshments will be served afterwards.

Music Ministry News by Valerie Becker, Director of Music

During the month of April we acknowledged the Armenian Holocaust. The Chancel Choir performed the Lord's Prayer, the "Hayr Mer" and "Der Getso" - a prayer for the Armenian people - in Armenian on April 24th. This day is a day of remembrance for that community and the many people that were lost. We hope that you were moved by these two pieces.

As we go into May we celebrate Mother's Day. Our youth choirs will sing "A Mother's Silent Prayer." They are excited to sing for you all again! And on Sunday May 22, the Friendly Chimers will play our prelude and we will present a few selections that

were written by our alto section leader, Maggie Furtak. Maggie has composed a number of choral works and the Chancel Choir has been learning some of her music this spring.

I also wish to again ask for music volunteers for our summer services. Please let me know if there is something that you might like to share with the congregation! These services are low key and it is a lovely way to share your gifts with everyone!

News from Our Spring Fundraising Season! 'Not Your Average Talent Show' Appreciation:

The Guatemala Partnership wants to thank Director Cici Hunt and all the musical contributors, young and young-at-heart, who made the recent Not Your Average Talent Show concert and Silent Auction such an uplifting community event and successful fundraiser. It is a pleasure to acknowledge and celebrate the blessings of our generous and multi-talented church community! And the education projects in our sister village will greatly benefit from the \$3,200 raised.

Guatemala Serv-a-thon Acknowledgments:

Thanks to all who made financial pledges and to the volunteers who carried out community-service work in the church and at the Needham Community Farm 3 weeks ago. One team (fortified by Anne Hayek and Debbie and Blair Wentworth) painted a lower-level hallway and cleaned tables in Fellowship Hall at the church, while another prepared 12 spring beds for planting at the Needham Community Farm's garden at Newman School on Central Ave. Workers learned that the Newman site produced more than 1,000 pounds of fresh vegetables for the Needham community last year! Check out the work in person or see photos on the Guatemala bulletin board near Fellowship Hall.

Plain Ave.) -- Don't miss this opportunity to donate your items, to volunteer, and/or to shop at one of Needham's largest yard sales! Those who have worked or attended this long-running event look forward to it every year as a wonderful, fun community activity that recycles your treasures and raises funds for education in Santa María Tzejá. Donations (and volunteers) are needed: We are seeking items in clean, working condition (no clothing), including: Children's gear, toys/games, sports equipment, household items, collectible or vintage items, jewelry, artwork, DVD's, books, bikes, electronics (no TV's or computers), tools, garden supplies, outdoor furniture, or small indoor furniture items. Drop-Off of Donated Items begins at 7:00 pm, Sunday, May 8th thru Noon, Friday, May 13th at Dave and Caryl Johnson's garage (505 Great Plain). Please lift the left-side garage door and put donations inside. For questions or to volunteer, please contact Brenda Metzler at: bmetzler7@verizon.net or (781) 449-5696. Thank you.

BOARD NOTES

Here is a brief summary of the Board's April meeting.

The Board approved the Interim Minister Search Committee's recommendation to offer the interim minister position to Rev. Jim Mitulski, and also approved the compensation package negotiated by a special subcommittee of the Board.

The Board appointed Howie Sesso to the Board to fill the vacancy created by the resignation of Len Chang. In accordance with the bylaws, Howie will serve until the next annual meeting. (He may choose to stand for a full three-year term at that time.)

The Board anticipates another vacancy this summer due to a relocation. If you are interested in serving on the Board, or would simply like more information, please send an email to board@needhamucc.org. The commitment would be to serve until the January, 2017 annual meeting, when you may choose to stand for a full term if you wish.

The board discussed progress on several of the longer-term projects identified in last month's Focus. Again, these projects include:

- Reviewing all of the Church's various committees and ministry teams with an eye toward increasing opportunities for all congregants to participate in the life of the church.
- Reviewing the Church's personnel policies and revising them as necessary to ensure compliance with all relevant laws and regulations.
- Reviewing the Church's Bylaws
- Improving communications between the Church leadership and the congregation
- Reviewing the status of the capital campaign and building projects
- Reviewing the Church's efforts in the areas of stewardship and membership development

If you would like to participate in any of these efforts, or if you have suggestions or comments you would like to share, please send an email to board@needhamucc.org.

As a reminder, the full, formal minutes of board meetings are available for viewing in the church office. Our clerk, Keith McClelland, has implemented a new process for approving minutes and making them available in the office much more quickly than in the past.

Yours in Christ
The Board

ENVIRONMENTAL MINISTRIES TEAM NEWS

...EARTH STEWARDSHIP FOR OUR LIVES TODAY...

GREEN GARDENING, LAWN CARE AND TREES
Now is the time to think about your yard, trees and gardens. We all have to be aware of the chemicals and water we use to fertilize and sustain our flowers, vegetables, trees and lawns.

If you plant native species, those that have a symbiotic relationship with other native birds, insects and animals, you are more assured of a successful garden and you will have to use less water and fertilizer (organic or otherwise). Check the EMT bulletin board for a list of native plants or go to www.plantnative.org.

As you know, we need trees to absorb CO2 and provide us with life giving oxygen. Purchasing trees can be expensive, but if you check arborday.org, you will find suggestions on native trees for our area, planting and caring for new trees and they will even send you saplings for a small donation. The

EMT bulletin board has flyers from the Arbor Day foundation - "Plant Trees for America" as well as other fliers to help you with your gardens, trees and lawns in a responsible way. www.arborday.org
Don't use pesticides on your grass! They kill the microbial life necessary for healthy soil and kill the pest's natural enemies. Even the birds who depend on insects for food are affected. Mow your grass high and leave grass clippings on lawn as a fertilizer. Water only when soil is dry 6" down. 1" per watering is enough. Healthy soils with thriving micro-organisms lead to deep rooted grass. Deep roots require less watering, less fertilizing, and save you money. Add soil amendments based on soil test which can be done by sending a sample to the Umass Soil testing Lab - www.umass.edu/plsoils/soiltest

Other information on the EMT bulletin board: "Keep Needham Green with Trees", "Healthy Lawns and Landscapes" and "Water-wise Landscaping (Xeroscaping) in Needham".

AN UPDATE FROM YOUR DEACONS

The start of spring has been busy for the Deacons. Shortly after the Equinox we held our Maundy Thursday dramatic reading. This service presents a different way for us to give to the congregation and we would like to acknowledge the participants for their efforts and hard work:

Evangelist - Joanne Seiden

Jesus - Kirby Salerno

Judas - Sunu Yeh

Peter - Rick Devereux

High Priest - Frank Luppino

Soldier - Stephanie Oddleifson

1st Disciple - Jean Veigas

2nd Disciple - Carol Miller

Lighting - Sally Fitzgerald

If you missed this service, mark your calendars for next year. It is truly a unique and solemn way to experience the Easter season.

Immediately after Easter the Deacon Covenant Team hosted what was termed an evening of Fellowship and Feedback. The purpose was to offer a creative and interactive way for all to provide feedback on various aspects of church life while also enjoying each other's company. The format involved writing your thoughts on post-it notes and then placing them on poster boards categorized to capture activities you would like the church to either start, stop or continue. The night was successful from a fellowship perspective (over 60 people in attendance and plenty of food) as well as in the feedback received (over 300 comments). Next steps involve transcribing all of the comments into a more user friendly format and sharing them with members and pertinent committee members for consideration. This event was not designed to kick-start major changes in church activities but rather to serve as an important first step in engaging the entire congregation in a discussion that

INTRODUCING OUR NEW INTERIM SENIOR MINISTER - REV. JIM MITULSKI

I am pleased to announce that The Reverend Jim Mitulski has accepted our call to serve as our Interim Senior Minister. He plans to join us on August 1.

Jim Mitulski was born and raised in Royal Oak, Michigan. His education includes a BA from Columbia University, an M.Div. from Pacific School of Religion, an honorary doctorate in sacred theology from Starr King School for the Ministry, and he was a Merrill Fellow at the Harvard Divinity School

Jim comes to us from Metropolitan Community Church (MCC) of the Rockies where he is currently serving as Interim Minister. Prior to that he served an eighteen month tenure as Interim Senior Pastor of Cathedral of Hope United Church of Christ, Dallas, TX- the largest GLBT church in the world and one of the UCC's largest churches. He also served as the interim executive director of the Cathedral's social justice partner, Hope for Peace and Justice.

Jim has served four churches as interim pastor. In prior years he was an associate pastor in New York City (1983-86), a senior pastor in San Francisco (1986-2001), a solo pastor at an experimental interfaith church in Los Angeles (2003-2006) a campus minister in Berkeley of a multi-denominational church at Pacific School of Religion (2007-2012) where he still serves as adjunct faculty. He has served as a denominational executive, and directed the Clergy Development program for MCC, networking with theological schools in the United States, Canada, Australia, New Zealand and South Africa. Mission work has included HIV/AIDS work in Zimbabwe and South Africa, and more recently he served a faith delegation to El Salvador to safeguard transgender rights.

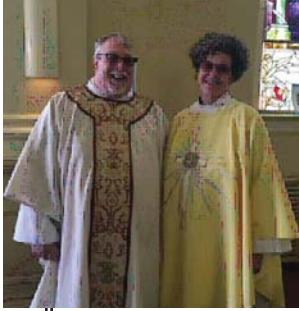

Jim was ordained in 1983 and has ordination credentials in the United Church of Christ, the Disciples of Christ/Christian Church, the Metropolitan Community Churches, and the Fellowship of Affirming Ministries. Prior to being a minister, Jim was a legal reference librarian, and also worked as a Program Coordinator for the San Francisco Public Library.

He is a trained specialist in interim ministry through the Interim Ministry Network and at one time directed the Transitional Ministry Program for the MCC denomination.

A message from Rev. Mitulski is included in this Focus. I am sure you will join me in thanking the Search Committee (Fred Moder, Jason Johnson, Lee McNally, Diane Conroy, Mary Lou Hughes and Christine Weitzel) for their hard work and the selection of such an outstanding interim minister. Please also join me in keeping Rev. Mitulski in your prayers as he makes this transition; and in looking forward with anticipation to welcoming him to our faith community.

Faithfully,
Jackie Allen (Moderator)

A MESSAGE FROM REV. JIM MITULSKI

Dear friends- I am so excited to be joining you August 1 to serve as your interim senior minister. You will see from my bio that I have done a lot of things in ministry, and nothing excites me more than being part of the renewal of a congregation. You have such an amazing history in Needham. I am honored to join

with you as that history continues to unfold, and to work with you to make sure that your next years build on your current successes. We'll do some hard work together, and we will also enjoy a time of spiritual and institutional transformation that will position you for the future. I have already been impressed by Rev. Heike and the staff members I've met, and by the extraordinary care and love for you shown by the Search Committee as we explored the possibility of working together.

Please pray for me over the next few months as I finish my work in Denver on July 3 and drive to Boston with my two cats. I'm coming to Boston in May to find an apartment. In July I'm teaching a two

week class on "HIV and Theology," at Pacific School of Religion, where I was trained as a pastor 30 years ago, where I later served as campus pastor and adjunct faculty.

I have loved my time in Denver, even though we had a blizzard last week (last year we had one on Mother's Day!) and I look forward to loving all of you as we get to know each other. Coming to Boston is a kind of homecoming to me- I've twice gone to school in Cambridge, and I love the culture, the history, the natural beauty of New England, and the quirky independent nature of New Englanders. Be patient with me as I re-acclimate- though I went to school in New York City and Boston, I still have a lot of California, Texas and Colorado in me. I know you love the church as much I do and we will do great work together.

I'll write more next month. And I promise to keep you in my daily prayers.

Warmly,
Jim

p.s. you are welcome to follow me on Facebook, Twitter or Instagram (although be forewarned I post a lot of cat pictures on IG) @revmitulski

Deacon Update Continued from page 4

will soon be joined by our Interim Senior Minister. In that regard we feel it was a great success.

During the April Deacon's meeting much of our discussion focused on plans for services and activities that will take us into the summer. Reverend Heike has done an outstanding job maintaining the vibrancy of the church while also trying to balance that with realities of our current staffing limitations. The resulting schedule through spring and early summer contains a strong slate of activities, sermon themes and guest preachers to keep us spiritually enriched heading into summer.

In May we be unveiling our Deacon Wall outside the conference room in the main church building. The board will contain photos of current Deacons as well as updates on our meetings and activities in an effort to increase transparency and make us accessible to all. Please feel free to chat with any of us after services to share whatever is on your mind! Also in that vein, our general feedback email is up and running! If you would like to provide feedback to the church but are not sure where to send it, you can use our general mailbox at feedback@needhamucc.org. We can't promise everyone an individual reply, but we can promise you that your suggestion will be read and passed along to the appropriate team or committee for consideration.

Blessings,
The Deacon Communication Team

On the income side, pledges collected were below budget by \$4,613 or 4.3 percent. Rental income exceeded budget by \$2,146.

Total expenses were \$2,340 over budget. Most of the overrun was in Minister and other staff compensation and is largely due to timing of payments. Minister compensation, however, will be underrun for the year as the Interim Minister was budgeted to start at the end of the first quarter and will now start on August 1. Seasonal expenses, such as electricity and outdoor maintenance, were slightly over budget, but should even out through the course of the year. Overall energy expenses were lower than a year ago due to a milder winter and the efficiency of the Church's new heating system.

Well, I have an idea: anyone interested in biking the Erie Canal bike path, from Buffalo to Albany around the end of June, beginning July? This 400 mile ride is an adventure for all levels of bikers. It is not quite as exotic as a trip to Europe but it can be great fun doing it together. Talk to Rev. Heike if you are interested.

2016-2017 YOUTH GROUP SURVEY

High school students are busy! I recognize how much you've got going on with school, homework, music lessons, sports, and friends and that Sunday evening Youth Group doesn't always fit your needs. Because church and the community we build is important, I am hoping to help make that community more available to you.

Even if you've never attended a youth group meeting, please take this survey. Perhaps Sunday night youth group isn't appealing to you, but you'd love a space to do homework together. Maybe you'd like a youth group that uses movies (Netflix? In the theater?) to start talking about your faith. Maybe running is your spiritual practice and you want a group that finds a 5K to do together every other month. These are ideas. Maybe you have more and better ideas!

Please take the ongoing survey so that we know what it is you want out of church! The survey can be found on the CE and Youth Bulletin Board and is available to print at:

Please don't let financial circumstances prevent your family from participating in VBS or Lunch Bunch! We can offer partial or full need-based scholarships so that your children can experience the joy of VBS: Animal Academy. Please reach out to us at youth@needhamucc.org if you are interested in a scholarship application.
